**TRANSFORMATIONAL LEADERSHIP:
Steering a New Course**

*Where leaders gather,
stars ascend, successes are shared,
and government
moves ahead.*

Interagency Resources Management Conference (IRMCO)
is owned and produced by U.S. General Services Administration

48TH ANNUAL IRMCO CONFERENCE

IRMCO

2009

April 19-22, 2009

Hyatt Regency
Chesapeake Bay, Cambridge, MD

The General Services Administration (GSA) invites you to attend IRMCO, government's management conference where policy guidance is delivered by leading organizations such as the President's Office of Management and Budget and the Federal Management Councils.

At IRMCO you will hear about the new administration's plans and priorities and embrace change by learning about what lies ahead.

ATTEND IRMCO TO:

- SHARE thinking with attendees, provocateurs, panelists, and speakers as they tackle topics that are central to the new administration.
- NETWORK with peers and members of the new administration in order to foster interagency knowledge sharing, coordination and collaboration.
- ACHIEVE agencies' missions and objectives by looking at innovative management practices.

WHO ATTENDS IRMCO:

IRMCO is open to human capital, information technology, acquisition and finance senior managers including GS-13, GS-14, and GS-15's, Program Managers seeking certified training in the area of Program and Project Management, and members of the Senior Executive Service (SES). Space is limited, so make sure you register today.

CONTINUOUS LEARNING POINTS FOR PROGRAM MANAGERS

The Office of Business and Management (OMB) has recognized that well-trained and experienced Program Managers are critical to the acquisition process and the successful accomplishment of mission goals. Attendees at IRMCO Program Management sessions will be eligible to receive certificates of training indicating the completion of 16 hours of continuous learning points for Federal Acquisition Project/Program Management certification purposes.

NETWORKING EVENTS

IRMCO features a diverse set of networking and team-building opportunities, including:

- Golf Tournament: Sunday, April 19
- Golf Awards Reception: Sunday, April 19
- Tennis, Tuesday, April 21 and throughout the week
- IRMCO Late Night: Join friends and colleagues each night of the conference in Michener's Lounge to relax and enjoy dynamic networking opportunities.

THE IRMCO AWARD

The IRMCO Award is a prestigious award presented each year to a single individual and team. The IRMCO awards have monetary recognition of \$2,000 (individual) and \$5,000 (team). These awards are given to those who have demonstrated exceptional ability to operate across organizational boundaries to improve the Government's services to its citizens.

Connecting government's senior managers and program managers from the human capital, information technology, acquisition and finance communities.

IRMCO is pleased to announce the following keynotes and speakers.

Gene L. Dodaro, Acting Comptroller General, Government Accountability Office

In a GAO career dating back more than 30 years, Mr. Dodaro has held a number of key positions, including Chief Operating Officer, the number two leadership position in the agency. As Chief Operating Officer, Mr. Dodaro led the development of GAO's strategic plans for serving the Congress and improving government in the 21st century.

Craig Newmark, Founder, craigslist

Craig Alexander Newmark launched craigslist as a subscriber-based community in the later part of 1995, with the first community site for San Francisco as craigslist.org. As of August 2008, craigslist has grown to more than 570 city community sites in over 50 countries and is experiencing more than 12 billion page views per month. There are more than 50 million unique community members worldwide.

Newmark is a vocal advocate of net neutrality and a champion of citizen journalism and participatory democracy. He is involved with groups that advocate using the Internet to build online communities of global citizens to help solve social issues worldwide. Newmark advises President Barack Obama's team on technology issues.

Knight Kiplinger, Editor in Chief, The Kiplinger Letter

Knight Kiplinger is one of America's most respected economic journalists and business forecasters. In his writing, speeches and appearances on major TV and radio networks, he cuts through the complexity of financial subjects with clarity and foresight.

Kiplinger is editor in chief of The Kiplinger Letter, Kiplinger's Personal Finance magazine and Kiplinger.com. The Letter, a weekly publication started in 1923, is the most widely read and longest-published business forecasting publication in the world.
